At the end of the full hire period, goods not made available for collection will be placed back on hire for a further hire period and at the same hire charge. You must pay us the extra charges when we ask for them, to include any additional costs incurred.

The contract comes into effect once a deposit has been paid by paying the deposit you agreeing to our Terms and Conditions which are published on our website.

Your responsibility when hiring goods

You must assist us in the delivery and collection at your location. You must give us clear instructions, and take all reasonable steps to ensure the safety of our people. We accept no responsibility for any damage or injuries caused.

The hirer will supply the electricity and water for the equipment in the hire period. You must make sure you have a suitable supply of electricity and it must be close proximity.

We require a flat level base to sit the hot tub on; this can be slabbed, concrete, blocks, decking or any firm hard standing. We can place on loose stone chippings providing they are small and compacted.

Grassed areas are not ideal but can be used. Great care must be taken not to get grass or soil in the water as this will spoil the enjoyment. We can provide a foam flooring to stop any foreign objects cutting or piercing the tubs or spas if we feel appropriate. Although our hire tubs are 1800mm diameter they need a minimum space of 2300mm for safety. You must ensure that there is sufficient access to get the spa into your chosen space, if access is not possible there will under no circumstances, be any refunds.

The hirer will inspect the equipment with Hot Tub Celebrations and note and sign for any damage on the equipment. You become responsible for the goods when you receive the hired equipment. Please take extra care to stop sharp objects from being around or in the hot tub and prevent people from jumping in or on the hot tub. Do not use glasses in the tub or place any foreign object in the Tub. Do not enter the Hot Tub wearing shoes. Children must be supervised when using the Hot Tub. Pregnant women and people with blood pressure issues should check with a Doctor about using the Hot Tub. If in any doubt do not use the Hot Tub.

You will be supplied with ample chemicals for the duration of your hire period, do not use or add any other chemicals to the water other than chemicals supplied by Hot Tub Celebrations. Do not add bubble bath, foam bath or washing up liquid of any description. Failing to comply with these instructions may cause serious damage to your skin or body and will also put the Hot Tub out of action for some time.

The hirer will add chemicals required to maintain the water in the hot tub and understand the risks involved in not maintaining the water as per the manufacturers instructions.

You must not sell or in any way give up control of the goods.

The hirer will not allow anyone under the influence of alcohol or drugs to use the equipment. The hirer will not attempt to or move the equipment from the location that the owner has placed it. The hirer will not tamper or adjust any aspect of the equipment mechanics or electrics.

You will be responsible for any death, injury, loss or damage caused by the goods being misused while they are hired to you.

Gazebo

The Gazebos we use for hire measure 3000mm x 3000mm. They are sufficient to cover the hot Tub and allow room around the Hot Tub to get in and out of the Hot Tub. They have sides which can be used or not dependant on what the hirer requires. They can be removed or added very easily by the hirer. The gazebo frame is steel construction and is "pop up". It requires a minimum of 2 people to erect or take down.

If you hire a gazebo from us there is an additional deposit of £25 required. We will erect the gazebo on delivery but only if the weather is suitable (i.e. very little wind). The gazebo is not a permanent structure and by the very nature of them they can be damaged easily in some weather conditions especially wind. It is the hirer's responsibility to look after the gazebo and if required to take it down to avoid damage should the weather conditions change to make it unsuitable for the erection of the gazebo. Should the gazebo frame be damaged whilst on hire, the deposit will not be refunded. If the material covering or removable sides of the gazebo are damaged as a result of the weather or misuse the deposit will not be returned.

Electrical goods

If any part of the goods is electrical, it should be used with the original plugs and sockets fitted to it. If the goods break down or are not working properly you must report this to us immediately. You must not use the goods or repair them unless we have agreed otherwise. You must tell us immediately if the goods are involved in any accident resulting in damage to the goods or to other property, or injury to any person.

Safety instructions when hiring goods

You must make sure that everyone who uses the goods is properly instructed on how to use them safely and correctly, and that they have all the instructions we have supplied. You must make sure the goods are not misused.

You must ensure everyone using the goods is in a sound healthy and fit state or have the permission of their doctor where appropriate. Users must not be under the influence of drugs or alcohol. Supervision should be provided where appropriate.

Limits of our liability

All the times and dates we quote for delivering or collecting the goods are approximate. We will not be liable for any delays caused by circumstances beyond our reasonable control.

If the goods breakdown or stop working, we will determine the problem as soon as possible, after you have reported it to us, and then try to replace them or repair the fault as soon as reasonably possible. We will not be liable for any injury or damage caused to your property.

If you hire the goods for use in a business, we will not be liable for any indirect loss or any loss of business or profits, savings you expect to make, wages, fees or expenses caused by the goods or any part of them breaking down or stopping working properly.

Lost, stolen, damaged or unclean hired goods

You are responsible for looking after the goods and returning them to us in good working order as they were received in.

You must pay to us the cost of replacing any goods, which are lost or stolen or damaged beyond economic repair. You should insure the goods for the replacement cost. If you receive any money as settlement of any claim relating to the damage or loss or theft of the goods, you must hold that money separately in trust for us and pay it to us when we ask you to. You must not negotiate any claim without our permission.

Our rights of access

We may enter any land or premises where we reasonably believe the goods are.

We may do this at reasonable times and after giving reasonable notice. We can only have access if we need to inspect, test, repair, service, replace or repossess the goods.

Other terms

If any term in this contract cannot be enforced or agreed then the hire of Hot Tub Celebrations equipment will not be supplied.

Any variation of the above terms are by written agreement between Hot Tub Celebrations and the hirer and this must be signed by both parties.

All Equipment remains at all times the property of Hot Tub Celebrations.
